Chief Justice of the	)	
Supreme Court of Alabama	)	
	)	Court of the Judiciary
	)	Case No. 46

MOTION FOR EXTENSION OF TIME

Chief Justice Roy S. Moore hereby requests a one-week extension of time, to and including July 29, 2016, to file his reply to the response of the Judicial Inquiry Commission ("JIC") to his Motion to Dismiss (construed as a motion for summary judgment by this Court's order of June 27, 2016), and to file his response to the Cross-Motion for Summary Judgment of the JIC.

BRIEF IN SUPPORT

As well as replying to the JIC's response to his motion, the Chief Justice must also respond to the JIC's request for summary disposition in its favor. Although the possibility of a cross-motion was contemplated in this Court's order of June 27, additional time is necessary to provide a meaningful response to the JIC's lengthy **54-page** filing. Because the Chief Justice now faces a contrary dispositive motion and not merely an opposition to his own motion, he requests an additional week to file a combined reply and response. The modest extension sought herein is reasonable, particularly since the JIC had 24 days to respond to the motion for summary judgment filed by the Chief Justice on June 21. Even

with the extension sought herein, the Chief Justice will have only **14 days** (as opposed to just 7 days) to respond to the JIC's extensive dispositive motion.

This extension of time is sought in good faith, and not for purposes of undue delay. This extension of time will not adversely impact the timely hearing and resolution of this matter. If the extension of time is granted, 10 days will still remain between the completion of briefing on July 29 and the hearing scheduled for August 8. The Chief Justice does **not** request a rescheduling of the hearing date.

WHEREFORE, for good cause shown, Chief Justice Moore respectfully requests that the Court grant a one-week extension of time, to and including July 29, 2016, to file his combined (1) reply to the response of the JIC to his Motion for Summary Judgment and (2) response to the JIC's Cross-Motion for Summary Judgment. The Chief Justice does not request rescheduling of the August 8 hearing date.

Respectfully Submitted,
