

## **Alabama Rules of Criminal Procedure**

### **Rule 17. Subpoenas.**

#### *Rule 17.2. Form of subpoena.*

Every subpoena issued by the clerk or other authorized officer shall state the name of the court and the title of the action, if applicable; shall command each person to whom it is directed to attend and to give testimony at the time and the place stated therein; and, if applicable, shall state on behalf of which party the testimony is solicited.

#### **Committee Comments**

This rule is essentially the same as Rule 45(a), A.R.Civ.P. and, as pointed out in the committee comments to that rule, does not change present procedure.
