

Alabama Rules of Criminal Procedure

Rule 34. Form, content, and service of motions and requests.

Rule 34.5. Notice of orders.

Upon the entry of any order in a criminal proceeding made in response to a motion, other than an order made in open court, the clerk shall, without undue delay, furnish all parties a copy thereof by mail or by other appropriate means approved by the judge.

Committee Comments

The rule is derived from Rule 49(c), Fed.R.Crim.P. The rule refers to all orders made by the court on any motion or request, except those in open court. Mailing each party a copy would not be required if an alternative method, such as attorneys' boxes, is used by the clerk with approval of the court.
