

IN THE MATTER OF:
ROY S. MOORE
Chief Justice, Supreme Court of Alabama

ORDER

On September 7, 2016, pursuant to this Court's August 25, 2016, order, the Judicial Inquiry Commission ("the JIC") and Chief Justice Moore each filed with this Court a list disclosing all exhibits, evidence, and witnesses that each party plans to introduce or call to testify at the hearing set for September 28, 2016.

On September 13, 2016, this Court held a pretrial conference by telephone with counsel for the JIC and Chief Justice Moore. During that conference, the parties agreed that no additional briefs will be filed. The parties agreed to jointly create and provide this Court with a list of the exhibits they plan to jointly introduce at the September 28, 2016, hearing. Each party also raised various objections they have to certain exhibits disclosed by the other party.

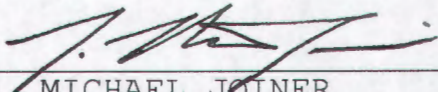

In light of the arguments made by the parties, both during the pretrial conference and in filings with this Court, this Court hereby ORDERS the following:

- (1) All items listed on the JIC's proposed exhibit list

will be admitted. Several exhibits including B, C, and S are admissible for limited purposes as identified in the JIC's August 8, 2016, response to Chief Justice Moore's objections.

- (2) All items listed on Chief Justice Moore's pretrial disclosure list are admissible except for Exhibit W, which shall be admissible only if Chief Justice Moore testifies at the September 28, 2016, hearing and is subject to cross-examination.

ORDERED this 14th day of September, 2016.
