

Ala. Code 1975, § 13A-2-5(b)

CAUSATION
(Unintended Result)

A person is criminally liable for a result which he/she caused even though the only difference between the actual result of his behavior and the result he intended, contemplated or risked is that:

- (1) a different person or property was injured, harmed or affected; **(OR)**
- (2) a less serious or less extensive injury or harm occurred.
