

## **Alabama Rules of Evidence**

### Article XI. Miscellaneous Rules

#### **Rule 1102.**

##### **Title.**

These rules shall be known as the Alabama Rules of Evidence and may be cited as Ala.R.Evid.

#### **Advisory Committee's Notes**

The official citation to the Alabama Rules of Evidence will be Ala.R.Evid. Compare Fed.R.Evid. 1103. No rule comparable to Fed.R.Evid. 1102, dealing with amendments, was thought necessary, because of the Alabama Supreme Court's acknowledged power to make and amend rules.
