Supreme Court of Alabama RFP SCA-RFP-2020-01 Alabama Appellate Court Case Management System**

Question 1

The 3-page Attachment (Final_RFP_047_20000000001_1_SO_FORM_PDF.PDF) does not include SOW or response instructions. When will the State release the full RFP?

I have downloaded this RFP from <https://procurement.staars.alabama.gov/webapp/PRDVSS1X1/AltSelfService;jsessionid=0000hGRLmE4pCCuSmPSDkIAI-tp:19bq2iq9g> and couldn't find complete package of RFP documents like scope of work and other requirements.

Please can you share the link this RFP documents.

I am interested in reviewing the "Request for Proposals for Case Management System". I am able to see three pages only.

I am trying to find the documents for the mentioned RFP. When I go to the link I am receiving a website error. Can you please send me the documents for this RFP?

I'm reaching out to you today to inquire about the additional documentation for the RFP listed in the subject line. Can I obtain this information from you or do I need to get it from somewhere else?

Could you please send me the Request for Proposal for a Case Management System, RFP # 047 20000000001, and any related documents?

Please provide the RFP document for Request for Proposals for Case Management System (RFP No. 047 20000000001).

I tried the Public Access link at <https://procurement.staars.alabama.gov/webapp/PRDVSS1X1/AltSelfService> to access the document and there are no Solicitations under the Solicitations tab.

Please provide a link to review the RFP document.

We received a notification on Friday, June 5th regarding the subject RFP, but was unable to locate the actual RFP document in the 'Attachments' section after logging into the STAARS portal. The only document on the site is the attached.

Please advise when the document will be posted for vendors access.

Is the 3 page document posted the only RFP documents available? Does the State intend to publish further requirements for proposals?

Answer

The Request for Proposal was published on the Supreme Court of Alabama's website on May 29, 2020. See https://judicial.alabama.gov/announcement/Requests_And_Invitations. All updates, questions and answers and any other pertinent information will continue to be posted on that site.
